*Hi There!*

**I AM EMMA JORDAN, FOUNDER & CREATIVE DIRECTION OF  
EMMA JORDAN WEDDINGS EST. IN 2018**

Meet Emma – the planner behind the party  
I'm Emma—wedding planner, creative brain, logistics queen, and  
unofficial bridesmaid to some seriously cool couples.  
I don't believe in one-size-fits-all weddings. I believe in colour,  
energy, and making your guests say "this is SO them."

At Emma Jordan Weddings, we take your wildest ideas and bring  
them to life—with serious style and zero stress.  
You get the fun. I'll handle the spreadsheets.

If you're dreaming of something bold, design-led, and completely  
you, we should definitely talk!

Emma Jordan Weddings has an expanding team of driven &  
creative co-ordinators & admin assistance to ensure we don't miss  
a trick.

# our *mission*

We plan weddings for couples  
who care more about atmosphere  
than etiquette.

Whether you're vibing with disco  
balls, neon signs, or just a really  
good cheese tower—we're here to  
make it feel so you.

Design-led. Experience-driven.

Chaos-contained.

Let's get weird (in the chicest  
way).

Team Work & Communication are  
our number 1 priorities. We  
promise to be available when you  
need us most & we can't wait to  
work as part of a team for your  
special day.

# what to *expect*

When you decide that a wedding planner is for you; of course there's an area of uncertainty of not knowing what happens next or during the process.

## **FREE FIRST CONSULTATION**

In this first meeting we'll get to know each other, I'll get to learn your needs, wants & wishes surrounding your big day. I understand and appreciate it's a huge commitment hiring a Wedding Planner - so it's vital that you think we're a match!

## **FIRST MEETING**

We'd plan in a first planning meeting to run through the whole wedding planning process & work through your top 3 priorities; a detailed questionnaire, introduction to our sharing spreadsheet. Then I'll send clear next steps on email

## **REGULAR MEETINGS**

We'd then arrange a catch up meeting 3 months & 6 months with clear next steps of jobs for us both. I'll be available on email for any questions in between these meetings. Including supplier searching, wedding day logistics & design.

## **ON THE DAY TIMELINE**

At our 6 month meeting we'll work on your 'On The Day' plan where we can create a personalised wedding day timeline tailored to you.

## **ON THE DAY COORDINATION**

On the day I'll be there to coordinate all your wedding plans, manage your suppliers & ensure you both have the best day possible!

**We take your Pinterest board chaos and turn it into a wild, wonderful concept that ties every detail together—from the confetti to the cocktails..**

## **Who's it for?**

- You've got the planning covered, but the visuals need levelling up
- You want a wedding that feels totally “you” (not a copy-paste Pinterest board)
- You've got ideas, screenshots, maybe even a moodboard—but no clue how to pull it all together
- You care about the details: the colours, the vibe, the way it all feels
- You want someone with taste (and supplier connections) to make it all look incredible

## **Includes:**

- Design concept & visuals
- Styling of key spaces & moments
- Tablescape, signage, florals & finishing touches
- On-the-day set-up & styling

# the in-between

## *edit*

(aka Partial Planning + Creative Support)

**The 'in-between' Edit** for the couple who's already got a venue, a vibe, and maybe even a spreadsheet—but needs backup pulling it all together.

We'll step in part-way and help finesse your plans, sort supplier gaps, and make sure the whole thing comes together beautifully.

### **Who's it for?**

- You're around 6–8 months out and things are starting to feel a bit real
  - You've booked your venue and a few suppliers, but you're not sure what comes next
  - You're juggling planning with work/life and want someone to make sense of it all
  - You'd love a creative eye on your ideas—and someone to take the reins as the big day approaches

### **Includes:**

- Handover & strategy session: we deep-dive where you're at
- Gap-filling: sourcing any key suppliers you're missing (think florals, styling, or AV)
- Wedding day timeline & production schedule
- Final venue walkthrough & layout planning
- Styling advice + design top-up
- Communication with key suppliers
- Full wedding day management & coordination

**from: £3,500**

(custom quote depending on how much you've already done and how many days the event spans)

# on the day

## *management*

**You've planned it all, now hand it over.**

**We'll make your day run smoother than your afterparty playlist.**

### **Who's it for?**

- You've planned the whole thing, and now you just want to enjoy it
- You don't want to be the one answering supplier calls while getting your makeup done
- You're organised, but you know things will pop up on the day
- You want someone calm, capable, and fully in your corner to run the show
- Basically—you want to be the main character, not the wedding manager

### **Includes:**

- Pre-wedding handover call
- Supplier coordination & timeline
- On-the-day management
- The person who knows when the cake's arriving and where the dog needs to sit

**from: £1,500**

(price depending on location)
